

Farmers To Get Less For Soil Saving In '48

Reductions in allocations to farmers of this county for soil building practices during 1948 have been cut more than 50 per cent under that allowed in 1947. For carrying out prescribed practices last year Jefferson farmers are to receive approximately \$68,000.

Slicing of the federal government's appropriations for this program for 1948 will permit an allocation for Jefferson County of only \$30,877 to assist farmers in building up the soil.

Grave concern has been expressed by farm leaders, who are saying that unless the farmers of Jefferson County continue to practice soil conservation, within a short period of time our soil will be unproductive to produce sufficient food to feed our people. In such event Americans would find themselves in a situation comparable to China, where millions are starving each year. This, of course, would concern not only our farmers, but the entire population.

The following soil conservation practices were carried out by Jefferson County farmers in 1947 participating in the AAA program.

1947 tons of lime spread, 659 tons of superphosphate and 28 tons of 50% potash used on grasses and legumes, 150 tons of rock phosphate, seedling 1,000 pounds of crimson clover, 4,000 pounds of vetch, 800 pounds of grass, 275 acres of alfalfa, 107,000 pounds of a mixture of a grass and legume, 620 acres in grain cover crop not harvested for grain, 91 acres sweet clover, 10,000 stock water ponds, some which 106,700 cubic yards of dirt were moved; drainage ditches with 20,000 cubic yards of dirt were moved; 100 feet of tile laid for drainage; harvesting 20,000 pounds of red clover seed from 376 acres.

J'town Seniors Present "New Fires" April 9

Friday night, April 9, at 8 o'clock, the senior class of Jefferson High School will present "New Fires," a comedy three-act play, in the school auditorium. The direction of the senior play is under the supervision of Mrs. B. H. Dean. Costuming, stage setting and publicity are under the supervision of Mrs. R. L. Arrithier. The public is invited to attend. Tickets may be secured from members of the senior class or purchased at the door.

Newburg News

By Mrs. J. H. Seelye.

The attendance took a drop Sunday at Newburg, but we hope to get it back to top level in Mothers' Day when Mrs. Cook and Mrs. Shively hope to have each of the Pringle girls have been the custom for years. attractive young ladies from South Louisville will be present. Mrs. Bro. Spangler's sister, Mrs. Shively, who is to have Mrs. Shively back and a sister, Mrs. Betty Jo who used to live in our neighborhood and took membership with the Pringle girls' congregation. They are now living in Indiana. Mr. Henry Kramer took membership at today. We gladly welcome new members.

Mrs. C. R. Hart was after church Sunday dinner guest of Mr. and Mrs. R. J. Cook and Mrs. Shively. Other visitors in this home for the afternoon were Mr. Amos Yeager and daughter, Helen, and two granddaughters, Miss Catherine Hart.

Little Larry Hart has this swell dinner, "Mumps," Dr. Shively attended him and he is doing fine. George Kenneth Martin has just returned from a trip to New Orleans.

Both of our day teachers had birthdays last week and the children surprised them with cake, cream, homebaked cakes and gifts, many were very thoughtful of the children.

Mrs. and Mrs. R. J. Cook and Mrs. J. H. Shirley and Miss Royce were dinner and supper guests of Mr. and Mrs. Edw. Hindle and Mr. and Mrs. E. B. Martin Sunday last.

Other guests in this home were Mrs. Sachar and Tommie Ray Holoway.

Miss Shirley Ann Nebbett will be at Newburg Sunday and have a social with the Pringle girls.

We are so glad to know Mr. and Mrs. John Emly and family will work with us again.

Mr. and Mrs. Shively called to Mrs. Shively called to Mrs. Shively. She was feeling fine and was delighted with the "Hot Plant."

County Groups Prepare For "Clean-Up" Drive

With County Judge Horace Barker declaring April 18-30 "Clean-Up" period for this spring, a campaign of promotion is getting under way. Miss Anna K. Evans, County Home Demonstration Agent, is chairman of the county-wide committee in charge. She is being assisted by Mrs. C. A. Yunker, who is co-chairman of the group.

One of the goals set by the committee is to reach 100 percent of the County's residents. To accomplish this, 20,000 check sheets are being given out to county residents. At the close of the campaign a loving cup will be presented to the highest scoring household. This is to be noted on the sheets, which will be returned by May 1. P.T.A. officials will rate the check sheets on percentage returned and amount of work done. At the close of the campaign a loving cup will be presented to the highest scoring household. This is to be noted on the sheets, which will be returned by May 1. P.T.A. officials will rate the check sheets on percentage returned and amount of work done.

This serious interpretation of the situation in Europe was reported last week by Dr. H. L. Donovan, University of Kentucky president who is on two month's duty in Germany as an educational advisor to the U. S. Military Government. In letters to Mrs. Donovan, he takes an alarming view of the "cold war" and urges preparedness.

Youth Sunday April 11 At Fisherville Church

Fisherville Baptist Church will observe Youth Sunday, April 11 at both services. During the day the entire group of service, the church will be turned over to the young people. This practice is being carried on in many churches in the south. The program is sponsored by the Baptist Training Union.

Following are the officers for the day: Sunday School Superintendent, Corinne Weakley; Pianist, Doris Healey; Secretary, Doris Healey; Teachers: Adults, Men: Snyder, Juniors, Willy, Joann; Primaries, Elizabeth Weakley; Beginners, June Bostoy. For church worship hour the officers are as follows: Pastor, Billy Robison; Deacons, Eugene Smith, James Nutt, Willis Cowley, Paul Redmon.

Objectors To Airy Building On Main St.

Objections on the part of Main Street residents of Jeffersontown Monday night came near preventing the Town Council granting a permit to build a building to operate a dairy here. The permit was requested by Dr. Ewing, George C. Webb and T. W. Napier, dairy operators of Napier's dairy here. Their present location is on Grand Avenue in Livingston Heights.

Goodwill Trucks Named County Route April 12

The Goodwill truck will make their regular collection of discarded materials in neighborhoods of Anchorage, Crestwood, Middletown, Peewee Valley and LaGrange Rd. Residents of these communities have been asked to have their discarded materials, such as furniture, rugs, bedding or other household goods that can be recycled to aid the employment of the handicapped and disabled workers at Goodwill Industries ready for pick-up by the truck. Goodwill Industries is suffering from an acute shortage of discarded materials and unless these supplies can be replenished by the next few weeks it is feared that a number of the handicapped workers

MORTON GIVES VIEWS TO RADIO COMMENTATOR

WASHINGTON, D.C.—Thurston Ballard Morton, Kentucky Third District, (right) gives his views on national affairs to Bill Henson, noted NBC commentator, while Mrs. Morton and son, Clay, listen approvingly. Occasion was Morton's recent appearance as Henson's guest on the weekly "Coffee with Congress" program.

Distiller's Processed Grain Has Feed Value
By-Product Speeds Up Growth of Livestock

By W. J. BRYDEN
 Leading agricultural colleges have conducted experiments with distiller's dried grains and have found that for every bushel of grain milled in a distillery the high protein and vitamin by-products recovered are equal to one and one-seventh bushels of grain in feed value when fed with farm-raised grains.

From every bushel of grain processed for alcohol in the distillery, 17 to 18 pounds of highly nutritious animal and poultry feeds are recovered.

Weighing and checking periodically turkeys fed on stimulant at Walker poultry farm, Peoria, Ill.

covered. The present demand for grain makes it advisable for farmers to substitute distiller's grain or similar product for part of the ration for their turkeys, chickens or livestock.

The economy of such a method has resulted in increased growth and production at a low cost. Poultry fed this by-product has shown a gain of one pound over chickens raised on a standard farm ration.

By David M. Porter

The tax reduction Bill sounds good on the face of it and should have been a popular bill, but when you go into it you can see that it was a mistake and should not have been passed. When it was passed over the President's veto, I think some of the Representatives may have been thinking of this coming election instead of the welfare of the Nation. This may be unfair and I would like to explain it. The reduction as passed will just about pay the interest on our National Debt and this must be paid along with the principal at some future date to maintain the people's confidence in our Government and our National integrity. The reduction when broken down individually is so small that it will not materially aid anyone and yet collectively will make a lot in running our Government. There is a definite and recognized emergency in our dealing with Russia and War seems eminent. Unless we prepare for it and they really mean business and will back up with force our agreement to protect Free People and help them stay free, was is inevitable. With a strong preparedness program and great military strength they would hesitate toward any acts of aggression. This will take huge sums of money and must be done at once, but most of all the taxes taken off this year will in all probability be greatly increased in the future and we may not be as well able to pay them. The coal strike is generally throttling the Nation's industries and has already affected many industries in Kentucky. It is certain that with the curtailment of coal and steel production that soon

millions will be out of jobs. Mining is a hazardous occupation and I have been in sympathy with the actual workers who produce the coal, but not with some of their leaders or the mine officials who will not arbitrate a dispute that affects the life and welfare of a Nation.

Senator John Sherman Cooper pledged his support to the Federal Aid to Education bill now up for passage. The bill would provide 300 million dollars to the States for Education and Kentucky under the provisions would get sixteen million one hundred and twenty thousand dollars as our part which would amount to around 22.30 a child. This would help us to raise our standards and the teachers pay which may raise us above our present standing of 39th in illiteracy among the 48 states.

Guy C. Shearer was appointed head of the Kentucky Alcohol Control Board. Guy was former head of the Barbers and Beauticians Board and is well known and well liked throughout the State. His honesty and integrity will give confidence to the people who deal with the Commission.

Senator Henry Ward of Paducah was appointed Commissioner of Conservation and will accept the place the middle of next month. He replaces Harold Browning of Williamsburg who served under Governor Willis and has made a name for himself for his work as Conservation Commissioner. Henry is a newspaper man who has been actively interested in Conservation and State Parks for a long time. He is one of the leaders in the promoting of Kentucky Lake as an important part of Kentucky and the Nation's recreational features and has long been interested in Civic and State affairs. He backed Harry Lee Waterfield for Governor and I think this is another sign that the Governor is going to have an Administration of efficient and capable assistants to help make Kentucky progress.

We have saved this until last but it is the most important news we can give you. Senator Alben W. Barkley of Kentucky may be the next Democratic nominee for President. We will tell you more of this in next week's column.

Fern Creek

By Miss Maggie Johnson

Mrs. Alice Moore has been visiting her daughter in St. Matthews and now Mrs. Moore has gone to Lebanon to be with a great grand child.

The PT-A. fifth district had an all-day meeting last week at the Fern Creek school. There was a good attendance.

Mr. and Mrs. Adrian Ellingsworth are leaving Tuesday to make their home in Florida. They took dinner with her father, Mr. J. H. Bates and wife Sunday.

Mr. Joe Dillingham expects to move soon to a house on Mr. Carter Fields' place.

The Business Woman's Circle went in to the 2nd Presbyterian church last Wednesday night to an annual meeting.

Mrs. Frances Semninger and little Barbara Sue have come from the hospital, and are with her mother for a while.

The Crescent Hill Woman's club is sponsoring a "Citizenship Pilgrimage" to Washington, April 14. There will be about seven from Fern Creek and about 400 from Louisville to go. The trip extends over four days.

Donnie Moore has the mumps. The Christian Endeavor Society have vesper service next Sunday. The meeting will be at Mr. Leo Haaga's.

Rev. A. B. Rhodes, professor of Old Testament at the Seminary filled with them in Florida. They will be with us next Sunday. Come and be with us.

Mr. and Mrs. L. A. Silvers were dinner guests Sunday Mr. Charlie Fox and family.

Mr. John Brattwain of St. Washington expects to go home from the hospital Monday.

Mrs. Pauline Johnson Walker has been to the hospital for an operation.

Mr. and Mrs. Lawrence Jones and family are moving over to barge Billtown road. His brother has bought where they lived.

Glad to hear that Dr. Rush is some better, though he is not working yet.

I have come home after spending a very pleasant winter in Louisville with my brother and daughters.

It is nice to know that Mr. and Mrs. Will Bates have gotten moved to Fern Creek this winter.

Sorry to hear of the death of

Mrs. Claude Markwell Saturday afternoon.

Callers in the home of Mr. Claude Lloyd while Mr. Barry Lloyd was there were: Mr. and Mrs. Arch Boston and children, Mr. and Mrs. Russell Baxter and Donald, Mr. Wm. Johnston, Mr. and Mrs. Smith Terry and daughter, Mr. McDonald, Mrs. Annie Welch, Mr. Eddie Welch and children, Mr. and Mrs. Dave Rinsinger and Barbara and Mr. Bob Reid.

Mrs. Dave Rinsinger and Barbara are visiting Mrs. Rinsinger's aunt, Mrs. A. N. Deaton and husband of Owensville, Ky. They will return this evening (Monday) evening and girls, Wednesday.

Mr. and Mrs. Tommie Collier and sons visited Mr. and Mrs. Robert Long and girls, Wednesday.

Mr. Eddie Welch and children, Mrs. Mammie Stevens Saturday, Mrs. Stevens is very ill.

Mr. and Mrs. Raymond Daunhauser and children of Okolona spent Easter Sunday with Mr. and Mrs. Harry Mitchell.

Mr. and Mrs. Claude Lloyd, Mr. Bobby Lloyd, Miss Edith Delaney and Mrs. Rinsinger spent Sunday with Mr. and Mrs. Wm. Johnston.

Mr. and Mrs. Bob Long and daughters, and Mr. and Mrs. Tommie Collier and sons spent Sunday with Mr. and Mrs. C. B. Graham and daughter.

Mr. and Mrs. William Kaufman and family and Mr. and Mrs. Levy Fredrick spent Sunday with Mr. and Mrs. Harlan Cullins of New Amsterdam, Indiana.

Mr. and Mrs. Pike visited with Mr. and Mrs. Harry Mitchell Sunday evening.

Mr. and Mrs. William Kaufman, Mr. and Mrs. Levy Fredrick, Misses Rosetta and Verna Fredrick and Mr. Leroy Farris took supper Sunday night with Mr. and Mrs. Clyde Schaefer and Rosie.

Miss Lois Knapp and Miss Bette Grant spent Saturday afternoon with Mrs. Robert Long and girls.

Miss Rosetta Fredrick spent Saturday with Mr. and Mrs. Bill Kaufman and family.

DR. MORY SEEKS TO MAKE HOME INTO DUPLEX

In a suit brought by Dr. Bertha C. Mory, Breckinridge Blauvelt Helm, attorney, charged that the Planning and Zoning Commission has no right to contest an appeal from its orders.

The Commission, Helm said, "is supposedly an impartial tribunal which should not attempt to influence the decision of a court." The suit brought by Dr. Mory says all County zoning is unconstitutional.

Her appeal was the result of

a refusal by the Zoning body to allow her to make a duplex of her home. The area is zoned for one-family residences.

Courts To Decide Annexation Issues

Annexation by Louisville of St. Matthews' principal residential areas will be fought out in court beginning June 21, Lawrence Duncan, attorney for the City Law Department, said this week. Duncan added he would request the case, involving the St. Matthews business section, be tried at the same time.

Meanwhile, three other cases affecting the St. Matthews

area are scheduled to come before the Court of Appeals when it convenes for the spring term on April 12. They involve Green Tree Manor Apartments, a 48-acre tract owned by Misses Annette and Frances Fenley adjacent to Green Tree Manor, and a 127-acre tract owned by the Marquette Widows and Orphans Home.

In the three cases, which were tried together, Louisville won a directed verdict for annexation.

Miss June Boston was guest Thursday night in the home of Mr. and Mrs. Albert Oerlie.

"MR. BIG" TO BE SHOWN AT GREATHOUSE SCHOOL

A picture show, "Mr. Big" will be shown Friday evening at Greathouse School auditorium under auspices of the school's Girl Scout troops.

In addition to the picture, which begins at 7:30 p.m., there will be a "Woody Woodchuck" comedy and another short attraction. Mrs. Willis Ward, Scout leader, is in charge of the project.

Cube Turkey Steaks To Aid Consumption

Process Boosts Market For Large Type Fowl

By W. J. DREYER

Turkey raisers want to produce the larger holiday bird—the public wants the smaller fowl. The cost for a large tom is too much for the average family. To produce a small turkey the cost per pound of gain is far greater than in the case of the larger fowl.

Desiring to create a year around consumer demand for turkeys, the National Turkey Federation and the Poultry and Egg National board de-

clined to utilize the machine which for years has been turning out the best cubed steak.

The meat is removed from the turkey and sent through the machine and out comes a four or six ounce steak, ready for the stove and then the hunch box or the formal dinner.

Consumption of turkeys has been less than five pounds per capita. With development of the turkey steak the turkey industry is endeavoring to attain a per capita output 10 times higher. The cubed turkey steak can be quick frozen and packaged in the same manner as many other kinds of steaks. This new plan is expected to assure the turkey raiser that there will be no overproduction of turkeys.

St. Matthews News

Mr. and Mrs. Earl Bowles and daughter, Betty, and Miss Shirley Simmons, 509 Macon, left Wednesday for a month's vacation at San Jose, Calif.

Lieut. Commander Raynal Zoeller and Mrs. Zoeller, of Philadelphia, Pa., were guests of honor at a dinner given Tuesday by Mr. and Mrs. Elmo Noland. Other guests were Mr. and Mrs. Burkhardt Zoeller and daughter,

Miss Viola Noland who has been ill for several weeks, returned to her place at Farmers and Depositors Bank. Mr. and Mrs. Vance Johnson, Courtney and Chrisa Lexington, were guests for the Easter holidays of the Elmo Nolands.
